Expert Seminar on "Transnational Mobility in Bachelor and Master Programmes"

Dear Madam

Dear Sir

The German Academic Exchange Service (DAAD) is organising a Seminar for Higher Education Experts on Transnational Mobility in Bachelor and Master Programmes. This seminar will concentrate on models of implementing mobility periods in study programmes from all Bologna signatory countries. We would like to discuss a classification of mobility types (e.g. joint programmes, mobility windows, mandatory year abroad ...). Some examples for programmes with integrated mobility will be presented, others shall be provided by the participants.

The seminar will take place in Berlin on 5 March 2010. For your information we enclose the draft conference programme.

We would be delighted if you or colleagues of your institution who are responsible for the design of study programmes followed our invitation. The registration is free of charge. Meals during the conference will be covered by the DAAD. Travel and accommodation costs have to be covered by the participants themselves (except students).

We would be pleased to receive your registration until 5 February 2010.

The DAAD booked a hotel contingent at the venue. Reservations can be made individually under the heading "Bologna-Prozess" at:

Best Western Hotel am Borsigturm

Phone ++49/30/43 03 60 00, Email: info@borsigturm.bestwestern.de

at a price of €65 for a single room (or €80 for a double room) per night, including breakfast.

Please feel free to forward this invitation (with the attached registration form) to international partners who are also involved in curriculum development and might be interested in the conference. We would be delighted if some of the programme directors could motivate a student of

their programme to join the seminar. The conference will involve teachers and students from all 46 Bologna signatory countries.

We are looking forward to hearing from you soon. Should you need any further information, please do not hesitate to contact either me or Ms Bonomé (bonome@daad.de) for further information.

Yours sincerely

Marina Steinmann
