

## **AGREEMENT ON ACADEMIC COOPERATION**

Concluded on \_\_\_\_\_, between

1. University of Primorska – Faculty of Education, 5 Cankarjeva, Koper, represented by the Dean of the Faculty prof. dr Mara Cotič.

and

2. University of Kragujevac – Faculty of Education in Užice, Kragujevac, Trg Svetog Save 36, Užice, represented by the Dean of the Faculty prof. dr Sanja Maričić,

### Article 1

Wishing to establish and promote cooperation, the Faculty of Education, University of Primorska and the Faculty of Education in Užice, University of Kragujevac conclude the Agreement on Academic Cooperation.

The cooperation refers to the exchange of knowledge, experience and joint activities in various scientific and teaching (educational) fields.

The cooperation shall be implemented in accordance with the General Acts of the signatories.

### Article 2

The cooperation refers to the following:

- The Parties shall use the accumulated knowledge and experience in solving scientific problems that are of interest to the Parties;
- The Parties shall consult each other and exchange opinions regarding the accredited study programs, as well as provide support to each other in developing and implementing new study programs;
- International mobility within the European mobility program, as well as other mobility programs that are of interest to the Parties;
- Exchange visits of academic staff for teaching, training and exchange of experience;
- The signatories of the Agreement shall exchange books, journals and other publications they publish on their own or in cooperation with others;
- The Parties shall work together on building up the reputation of their journals and potentially on launching new journals if these are of interest to the Parties, by publishing papers of their teaching staff, associates, graduate and PhD students, as well as reviews of the papers;

- The Parties shall contribute to the organization of scientific conferences, symposiums, as well as seminars they organize on their own or in cooperation with other higher education institutions or professional associations, by taking part in scientific program committees;
- The Parties shall prepare and implement bilateral and EU projects;
- The Parties shall implement joint scientific research activities in the scientific fields that are of interest to the Parties;
- The signatories of the Agreement may also establish cooperation in other fields, and such forms of cooperation shall be subject to a separate agreement.

#### Article 3

This Agreement is concluded for an indefinite period of time. Either party may terminate this Agreement.

#### Article 4

This Agreement is made in 4 (four) identical copies, all of which shall have the same legal force and effect. Each Party holds 2 (two) copies.

#### Article 5

The Parties agree to the text of the Agreement on Academic Cooperation and, in accordance with the practice of academic cooperation, the representatives of the Parties sign the Agreement.
