

To:
Ministry of Science and Technology,
People's Republic of China

The Ministry of Science, Technological Development and Innovation of the Republic of Serbia supports the cooperation on the establishment of Belt and Road Joint Laboratory on Optical and Wireless Fusion Communication for Modern Transportation co-raised by Southwest Jiaotong University and University of Kragujevac and acknowledges the Chinese implementing agency to apply for the approval from the Ministry of Science and Technology of China.

On approval of the proposal by the Ministry of Science and technology of China after review, the Ministry of Science, Technological Development and Innovation of the Republic of Serbia shall provide necessary support on local research conditions, joint research activities, etc., to the University of Kragujevac, in order to guarantee the establishment and development of the Joint Laboratory.
