MEMORANDUM OF UNDERSTANDING

The Institute of Anatomy at the University of Bern, Switzerland and the University of Kragujevac, Serbia desire to develop academic exchange and co-operation in teaching and research and hereby agree to promote, facilitate and implement co-operation in the following manner.

Areas of Co-operation

The Universities agree that the objectives of this Memorandum are:

- the exchange of information and academic materials,
- visits by and exchange of research, teaching and administrative staff,
- visits by and exchange of students,
- development of collaborative research projects, and
- organization of joint academic activities, such as lectures, seminars, conferences and courses.

Implementation & Funding

To implement the collaborative activities envisaged, representatives of the institutions may propose, negotiate and conclude specific agreements. The details, including the financial arrangements, will be set out in the specific agreements. The institutions acknowledge that in the absence of any provision to the contrary in the specific agreement(s), all expenses of salary, travel, accommodation, living and other related costs will be the responsibility of the visitor's home institution.

Duration

This Memorandum shall commence on the date of its signing by the parties and remain in force for five years, unless either party gives at least six months' written notice to terminate the agreement. It may be amended by the parties' written mutual consent.
