Respected Professor Terentyev Dmitry Vyacheslavovich,

On behalf of the University of Kragujevac, I am writing to express our sincere interest in renewing the agreement of cooperation between our esteemed institutions. We are very much looking forward to continuing and expanding our partnership, fostering academic and cultural exchange.

Taking into consideration that our previous agreement expired in 2019, we believe it is time to formalize our renewed commitment to collaboration. We are eager to explore new avenues for joint research projects, faculty and student exchanges, and other collaborative efforts that will benefit both our institutions.

Attached to this letter, you can find a template of the Agreement on Academic Cooperation, which outlines the terms and areas of cooperation. We would be grateful for your review and any suggestions you might have to further enhance our partnership.

Thank you for your attention to this matter. Please do not hesitate to contact us directly should you have any questions or require further information.

Yours Sincerely,

  
Prof. Dr. Vladimir Rankovic, Rector  
University of Kragujevac
