The Conference **BULTRIB** provides the best environment in which to:

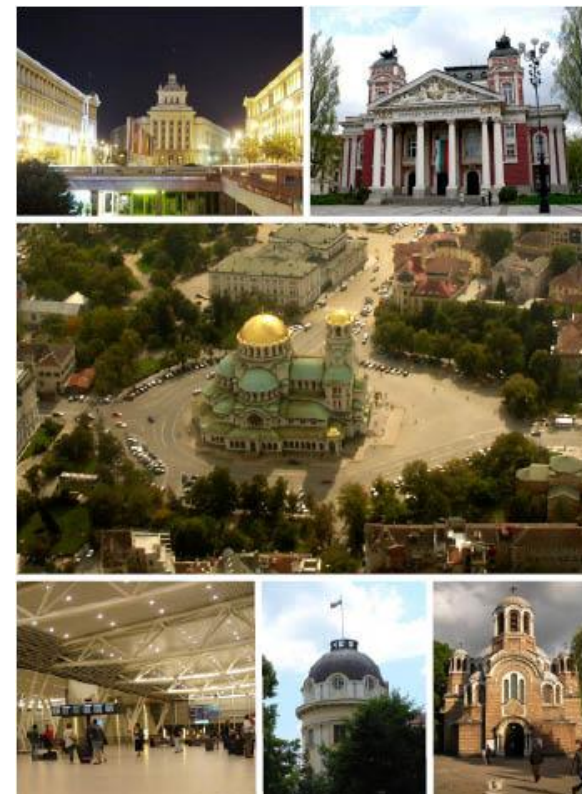

- Learn from leading scientists and practitioners;
- Discuss tribology and related problems and their possible solutions with fellow researchers from our country and from all over the Balkan Region, Europe and Asia;
- Exchange tribology teaching experience;
- Confer participation in common projects;
- Get practical tips and tricks;
- Establish important contacts and advance career opportunities;
- Get acquainted with the capital city of Bulgaria.

Date and Place of the Conference BULTRIB'13

Place: Faculty of Industrial Technology at the Technical University of Sofia
