The Conference **BULTRIB** provides the best environment in which to:

- Learn from leading scientists and practitioners;
- Discuss tribology problems and their solutions;
- Exchange tribology teaching experience;
- Confer participation in common projects;
- Get practical tips and tricks;
- Establish contacts and advance career opportunity.

CEEPUS Project

After successful completion of the 1st year (2012-2013) and ample reporting, the first Tribology Network, referring to Project CIII-BG-0703-02-1314 "Modern Trends in Education and Research on Mechanical Systems - Bridging Reliability, Quality and Tribology" is **approved** for the 2nd year (2013-2014). The 2nd **CEEPUS Workshop** in the Tribology Network will be held during the first day of the Conference BULTRIB'13 in the University of Chemical Technology and Metallurgy, Sofia.
