INVITATION LETTER

Dear Dr. Z. Petrovic,

After your interest to visit and work in our Department and the previous recent fruitful status of our collaboration, from which already two publications are derived, I am pleased to inform you that you are welcome to visit and work as a scientific visitor in our Department for the period from June 19, 2010 to July 3 2010. For this work there is no possibility for any financial support from our Department.

Sincerely yours,

Dr D. Hadjipavlou-Litina, Professor
