To the Ministry
of Science and Education of Serbia
Belgrade

Dear Sirs,

The Department of Pharmacology, Medical Faculty of Aristotle University of Thessaloniki is collaborating with the Department of Pharmacology, Medical Faculty of Kragujevac. Our commune efforts are concentrated on projects concerning the action of drugs or endogenous, pharmacologically active substances on isolated smooth muscles.

On our part the collaborators are: Professor Dr A.G. Paradelis, Ass. Prof. Dr D. Kouvelas and the Scientific Assistant K. Tsilkos.

The collaborators from Kragujevac are: Ass. Prof. Dr Slobodan Jankovic and the Technician Mrs Snezana Jankovic.

Till now the collaboration between the Departments is excellent and the results of our commune work are or will be published at Scientific Magazines or National and International Congresses.

Dr. S. Jankovic is one of the best Scientific Collaborators of our Department and we hope our collaboration will be continued for the common good of both Departments and Countries.

A.G. Paradelis

Prof. A.G. Paradelis
Head of the Department
