Zagreb - CROATIA

Editors-in-chief: Pavao Rudan and Anita Sujoldzic

Dear Professor Ilić,

Enclosed please find a copy of the manuscript entitled:

RISKS FOR PRIMARY NONFATAL MYOCARDIAL INFARCTION IN SERBIA

which was sent to us as possible publication. Being aware of your excellent expertise and broad knowledge of the subject, we kindly ask you to review this paper. However, if your work does not leave you enough time to deal with this obligation, please let us know as soon as possible. We would not like to burden you in any way. If this is the case, we would be grateful if you could recommend somebody else to do a review of this manuscript.

Should you decide to help us with this manuscript it would be nice if we could receive your answer within two to three weeks. If this is not acceptable for you please let us know.

Also attached, please find form to referee the enclosed manuscript for its suitability in the Journal. We would prefer if you could send your review to our email: croantro@inantro.hr

With kind thanks and best wishes from Professor Rudan and ourselves, we remain

Yours sincerely,

Jelena Šarac, Tena Šarić, Barbara Cvitkušić
