UNIVERSITY THOUGHT
PUBLICATION IN NATURAL SCIENCES

Aims and Scope

The University Thought - Publication in Natural Sciences (Univ. thought, Publ. nat. sci.) is a scientific journal founded in 1994. by the University of Priština, and was published semi annually until 1998.

Today, the University Thought - Publication in Natural Sciences is an international, peer reviewed, Open Access journal, published semi annually in the online and print version by the University of Priština, temporarily settled in Kosovska Mitrovica, Serbia. The Journal publishes articles on all aspects of research in Biology, Chemistry, Geography, Information technologies, Mathematics and Physics in the form of original papers, short communications and reviews (invited) by authors from the country and abroad.

The University Thought - Publication in Natural Sciences serves as an interdisciplinary forum covering a wide range of topics for a truly international audience. Journal is endeavor of the University of Priština to acquaint the scientific world with its achievements and wish to affirm the intellectual potential and natural resources of own region. Our aim is to put forward attitude of principle that science is universal and we invite all scientists to cooperate wherever their scope of research may be. We are convinced that shall contribute to do victory of science over barriers of all kinds erected throughout the Balkans.
