20-Feb-2012

Dear Dr. Milosevic-Djordjevic:

Thank you for agreeing to review Manuscript ID HET-12-0079 entitled "The genotoxicity in peripheral lymphocytes of welders exposed to fumes from metal-arc welding" for Human and Experimental Toxicology. Please try your best to complete your review within the next three weeks.

In your review, please answer all questions. On the review page, there is a space for "Comments to Editor" and a space for "Comments to the Author." Please be sure to put your comments to the author in the appropriate space.

To access the manuscript, login to Human and Experimental Toxicology- Manuscript Central site at <http://mc.manuscriptcentral.com/het> . Your case-sensitive USER ID is olivera. For security purposes your password is not listed in this email. If you are unsure of your password you may click the link below to set a new password.

You may access the reviewer rating form and manuscript directly by clicking the following link: http://mc.manuscriptcentral.com/het?URL_MASK=CcqCnRNDs3kQ8DcxHSNK

If you wish to view the manuscript and the review form simultaneously, click on the HTML or PDF icons - the manuscript will open in a new window. Leave the new window open, switch back to the main window, and open the score sheet by clicking on the Score Sheet tab. Follow the instructions for reviewers provided in the Manuscript Central site. I strongly encourage you to elaborate on your review in the space provided. Your specific comments will offer valuable feedback to improve future work. It is essential that you click the "Save" button if you wish to exit the review before you submit it to the Editor. Otherwise, none of the information that you have entered will be saved in the system. When you have completed your review and are ready to submit it to the Editor, click on "Submit."

All communications regarding this manuscript are privileged. Any conflict of interest, suspicion of duplicate publication, fabrication of data or plagiarism must immediately be reported to me.

Thank you for evaluating this manuscript.

Sincerely,

Olivera
