Re: JBMR-A-16-0538 Carrageenan influence on cytokine production and cellular activity of mouse peritoneal macrophages and its action during experimental endotoxemia:

Dear Reviewer:

We very much appreciate your taking time to review the above manuscript for Journal of Biomedical Materials Research: Part A. The final decision on the above paper was Major Revision.

If you need additional information or have questions, please contact the Editorial Office at jbmra@wiley.com.

In appreciation of your review, we are pleased to offer you a 30% discount on Wiley books. Visit <http://www.wiley.com> and use code JRREV in the promotion code field. Discount excludes major reference works.

Again, thank you for your willingness to assist in this important work.

Sincerely,
Ms. Lisa Brodsky
Associate Managing Editor
Journal of Biomedical Materials Research: Part A
