Dear Professor Srbislav Aleksandrović,

Due to your experience, the Editorial board of Scientific-professional Journal Tehnicki vjesnik/Technical Gazette, would like you to make a review of the following paper (all necessary data is provided on the web page), hoping that your acceptance and an objective review would raise a reputation of the journal.

We would like for your review to be in order with Instructions for Authors and your marks and expert opinions written in Review Form (please fill all the sections on the web page provided below).

With great hope for your co-operation and help, we wish you all the best.

If you are unable to accept this review for any reason what-so-ever, please, let us know this by rejecting/abandoning the review on the web page provided below.

Paper title: ANALYSIS OF THE INFLUENCE OF 3D PRINTING ON HARDNESS OF PARTS Review page: <http://www.tehnicki-vjesnik.com/web/secure/recensions/4417>

Yours sincerely,

Tehnicki Vjesnik/Technical Gazette Editorial board.
