Entrepreneurship in Higher Education - Study Visit to Queen's University Belfast

I am delighted to invite you to attend a study visit at Queen's University Belfast, from Monday 24 May to Friday 28 May inclusive.

The objective of this study visit is to provide participants with an insight into Queen's policy on enterprise and entrepreneurship, as well as curriculum and staff development areas, which support the university's entrepreneurial learning efforts, including linkages with the world of enterprise.

You will be sent further information on the visit in due course, but, as a priority, you should ensure that your passport and visa arrangements are confirmed at the earliest possible opportunity.

Yours sincerely

Mr Trevor Newsom
Director of Research and Regional Services
Queen's University
